

Follow The directions on this  
pattern piece to create  
the full pattern

Place along a folded edge on a piece of paper  
and use the full size pattern to cut two pieces

### **For Blender**

Add to the bottom of the pattern piece  
to make it 15" long. Extend the sides  
of the pattern straight down.

Pattern should print at 4 7/8" wide on this line

### **For Mixer**

Add to the bottom of the pattern piece  
to make it 13" long. Extend the sides  
of the pattern straight down.
