1 piece Insulbrite

1 piece of medium stabilizer

Ribbon

Thread

1. Hoop Stabilizer and Fabric.

2. Sew Out First Color and Design (optional)

Remove Hoop From Machine but do not unhoop fabric

4. Turn the hoop over to the back. Using spray adhesive spray and place insulbrite down first .

Then spray fabric and place it down.

5. Finally spray paper Solvy and place it down.

Return hoop to machine.

6. Sew out second color.

7. Remove Hoop From Machine but do not unhoop fabric

Trim close to sewing outline.

DO NOT CUT THROUGH THE FABRIC SOLVY

8. Return hoop to machine.

9. Sew out final color.

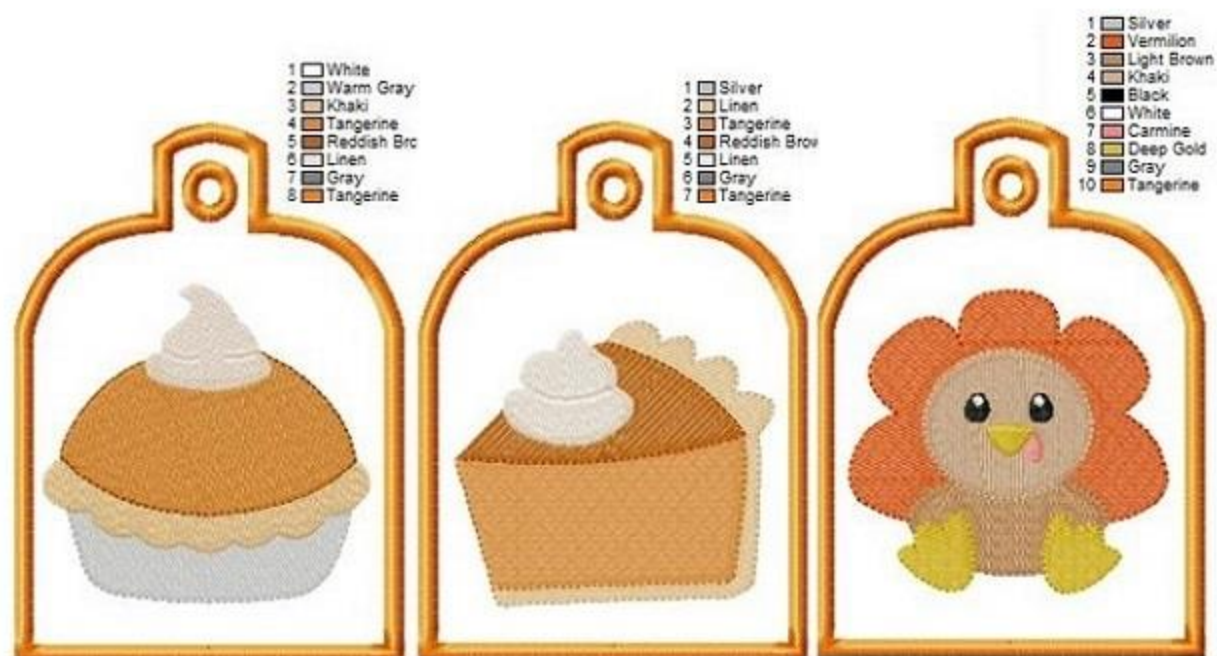

10. Remove from machine.

11. Cut Solvy as close to final stitch without going into it.

12. Gently dab around the edges to remove the balance using a sponge and warm water.

13. Poke a hole through the round circle center to insert a tie ribbon. You will be able to tie this to your oven door handle or other area.

14. Take a regular kitchen towel. Gather the top with a running sewing stitch. Place towel to the back bottom of the topper and afix towel with a regular sewing or decorative top stitch.
