The quality of my design/s is guaranteed unless they have been in any way edited, altered, or resized. Julia's Needle Designs are tested on multiple machines. Some machines perform differently than others so be sure to keep this in mind when sewing out your design. I always recommend a test sew. Please review your machine manual for correct hoop size before ordering.

NOTE: You are purchasing a digital machine embroidery file, not a finished, physical item. You must download the file to your computer, unzip the file and have a way to transfer the design/s to your embroidery machine. All design formats and sizes are included in a single zip file. Due to the digital nature of this product, all sales are final. Due to the many computer operating systems and embroidery programs I cannot offer support in those areas.

This design/s is for single purchase only. You are not allowed to sell, share, give away, or alter the design/s. All rights reserved by Julia's Needle Designs.©
