Dog Bandana In the Hoop

Materials Needed:

1 Sheet Medium Hoop Tear Away Stabilizer

2 Pieces of Dog fabric

Applique scissors

Dog Collar

Instructions:

Hoop Stabilizer then two pieces of fabric wrong sides together.

Run Color One (Applique Outline Stitch)

Run Color Two (Tack Down Stitch)

Stop

Remove Hoop but do not unhoop.

Trim fabric close to the tack down stitching. Do not cut into it.

DO NOT CUT INTO THE STABILIZER

Replace hoop.

Run Color 3 (Final Applique Satin Stitch)

Remove from hoop. Trim close and and tear away remaining stabilizer.

Turn the top of the bandana (Straight edge) half way down (about 2" inches) to the back and press.

Using a regular sewing machine stitch across (horizontally) on the back right above the satin stitching. This forms the casing.

Be sure to backstitch to reinforce the casing.

Then place your doggie collar through it and you will have a fashionable bandana for your dog. You may want to personalize before taking out of the the hoop or after.

Enjoy..
